

SMART-BOX TANDEM BOX SERIES

SMART-BOX Smart drawer series

SMART-BOX

Smart drawer series

No edges

The shape has no edges and corners, and has its own square circles.
No angular pumping design, the appearance of atmospheric and elegant,
The lines are soft and warm, showing the gentle and inclusive temperament of a home.

SMART-BOX Smart drawer series

Smart drawer series Gr201

DRAWER SERIES

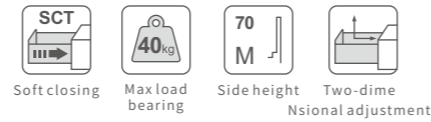

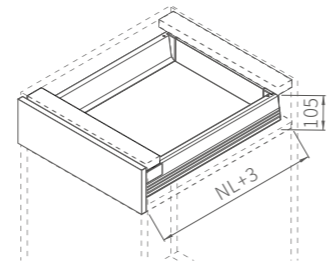

Describe

Concealed Full Extension;
Full extension synchronous suspension orbit technology;
40 kg Load capacity, long service life;
It can be adjusted in three dimensions on the side;
Built-in SCT infinitely variable speed damping technology;
To ensure the slide has smooth and gentle movement;
65kg heavy-duty slide is available;

Space required
